PROFILE

ABOUT US

International Bankers Financial Group is an organization with more than twenty years of experience in the financial arena. Project financing, consulting, residential and commercial lending, trading financing and oil related businesses are some of the services that we have provided to our clients through all these years.

Our Food Division, **Buena Vista** has more than ten years of experience in food commodity industry offering reliable services to our clients. As a result, such unique expertise and dedication has positioned IBFG as a leader in the Food Industry.

Thanks to our outstanding reputation we have successfully established a worldwide client base. Customer satisfaction is our primary goal, for that reason, we dedicate our time to understanding in detail our clients needs. We pride ourselves in the honesty, trustworthiness and transparency of all our transactions.

Looking forward to serving you in this transaction and in future ones.

Angel A. Leon

President

International Bankers Financial Group

OUR MISSION

BUENA VISTA, International Financial Group's food division main goals are to provide efficient and

transparent transactions where trust and credibility play important roles in the execution of the contracts.

Our clientele satisfaction is our first priority, for that

" We pride ourselves in the honesty, trustworthiness and transparency in all our transactions "

reason, we emphasize in customer service to meet the needs of our clients offering an array of products with the best prices in the market. On the other

side, our channels of communications with our suppliers and strategic partners are always clear allowing the information to flow without interference.

In addition, our organization strongly believes in investing in the latest technology as well as in developing strategic alliances with reliable suppliers in order to expand our operations in emerging markets where a high demand for commodities is present. Thus, our organization will achieve growth & profitability.
